

Contract for Mentorship Services

Time based

This contract is made between

the Bootcamp provider, Philos, represented by Maxime Czetwertynski

and the bootcamp participant , represented by _____ .

The bootcamp participant hereby agrees that he or she will provide **14 hours of mentorship** to future bootcamp participants.

The 14 hours of mentorship can be performed on one bootcamp or can be split on several bootcamps, depending on the need of the bootcamp provider, Philos. Philos agrees to inform the bootcamp participant of the date at which he or she will be required for mentorship services at least 5 working days before the mentorship service has to happen.

The 14 hours of mentorship have to happen within **three months** after the bootcamp that the aforementioned bootcamp participant attended.

In counter part of this service of 14 hours of mentorship, Philos agrees to reduce the participant's bootcamp tuition fees by half of the original price.

BOOTCAMP PROVIDER

Maxime Czetwertynski, representing Philos.
